

Dear Dr. Young:-

Below find a rough sketch of the native building.
Have sent for the material to San Francisco because of better rates.

Have promised the building will be in readiness by the first
of Sept. so must hustle.

Have a line on "Boiler and engine" just what I want, hope we will
be able to land it.

Dont you think this building would look well painted
white, with french gray trim? I wish some one would
Send along the paint.

Unless you object I will will
take the liberty of placing
the name of Dr. S. Hall Young.
over the portal.
